

**REMARKS**

The statutory filing fee of \$385.00 (basic filing fee for small entity status), a late declaration surcharge of \$65.00, a independent claim charge of \$43.00 for 1 independent claim over 3 and \$234.00 for 26 dependent claims over 20, for a total of \$727.00 is enclosed as requested.

The Notice of Missing Parts indicates that a replacement figure for Figure 6 is required because the drawing line quality is too light to be reproduced or the text is illegible. Applicant respectfully submits a replacement drawing of Figure 6.

A hardcopy of the sequence listing as well as two discs containing the sequence listing in computer readable form and a statement that the content of the sequence listing information recorded in computer readable form is identical to the written sequence listing are enclosed as requested.

Applicant believes that none of the amendments above add new matter to the specification.

**CONCLUSION**

In view of the above, Applicant respectfully requests that the Examiner make these amendments to the specification.

Respectfully submitted,

Date: 15 April 2014
